

MEGAPOWER LEGRAND (M) SDN BHD
MEGAPOWER MANUFACTURING (M) SDN BHD

QUALITY POLICY

Megapower Legrand's phenomenal success is due to our philosophy of providing the customers with the highest quality of electrical cable management systems and wiring accessories at the best possible price and excellent customer support.

To be a comprehensive total solution provider of electrical cable management systems and wiring accessories, we shall:-

- Continuously improve our performance and QMS that conforms to ISO 9001 Standard.
- Ensure quality objectives are established and reviewed periodically.
- Ensure satisfaction and loyalty among our customers, and expand our customer base.
- Ensure that our compliance, cost and lead-time commitments are met.
